A semi-detached Gough Cooper built family home being sold for the first time in 50 years. The property has no onward chain and is now in need of modernisation and has therefore been priced accordingly.

The property already benefits from a ground-floor extension, providing a kitchen/ breakfast room, but many houses in the area have extended further, including into the loft, so it may be that similar potential exists for this property, subject to all necessary consents.

Moor Copse Close is a cul-de-sac location just off the Silverdale Road, close to Maiden Erlegh Lake and Nature Reserve, and the University. There are local shops available at The Parade, with more extensive facilities at the Asda and Marks & Spencer complexes in Lower Earley.

Bus services locally providing access into Reading town centre, where the main line railway station has services on the Elizabeth line, to Paddington, and to Waterloo which run through the nearby Earley Railway Station.

The M4 motorway can be accessed either at Junction 11, where there is also the A33 south to Basingstoke, as well as Green Park and its new railway station; or at Junction 10 where London then lies approximately 40 miles away and Heathrow Airport approximately 28 miles away.
